

A map of Istanbul presented as a bird's eye view

MYLLER, Angelicus Maria.  
Constantinopolis.

Prague, c.1730. 165 x 210mm.

£400

An uncommon view of Constantinople, based on Braun & Hogenberg. From Myller's 'Peregrinus In Jerusalem'. Myller journeyed from Rome to Jerusalem, then continued to Turkey, visiting Troy, Gallipoli and Constantinople. He then crossed to Egypt, returning to Rome via Syria and Malta.
