

Scarce map of Normandy in fine colour

DUPERRIER.  
 Carte de la Province de Normandie.

Paris: Desnos, c.1780. Fine original colour. 510 x 710mm.

£450

An unusual map of Normandy, originally published by Dupperrier (his only known map) in Rouen in 1767, with an inset of the Channel Islands. The colouring is particularly fresh and bright.
