

17th century chart of the Lesser Antilles

BLAEU, Johannes.
 Canibales Insulæ.

Amsterdam, c.1662, blank verso. Original colour with additions. 420 x 530mm.

£850

The Lesser Antilles, orientated with north to the right, showing from eastern Puerto Rico and the Virgin Islands to Trinidad and the Venezuelan coast. As the map only appeared from 1662 in the Americas volume of Blaeu's final atlas, the 'Atlas Major', it is comparatively uncommon.
