

A 17th century wall map of Europe on four sheets

DU VAL, Pierre.
L'Europe.

Paris, 1668. Original outline colour. Four sheets joined in pairs. Each pair 400 x 990mm.

£2,000

An early example of this scarce French map of Europe, printed on four sheets joined in pairs horizontally, with a large main title cartouche of armorials of the main nations, with four extra titles for each sheet. Complete examples of this map are hard to find despite being re-printed in later editions dated 1677 and 1868.
