

An 18th century map of Switzerland by a Swiss publisher

GRASSET, François.

Carte de la Suisse où sont les Treize Cantons, Leurs Alliés, et leurs Sujets.

Lausanne, 1769. Original outline colour. 545 x 700mm.

£480

A fine map of Switzerland, 'drawn and engraved under the supervision of Robert de Vaugondy' by C. Aldring for the Lausanne publisher François Grasset (1722-89). Next to the decorative title cartouche is a vignette scene of William Tell shooting the apple on his son's head.
