

A town plan of Leiden in the 17th century

DE WIT, Frederick.

Lugduni Batavorum vulgo Leyden sic Ultimo Amplicati Delineatio.

Amsterdam, Covens & Mortier, c.1740. 510 x 590mm.

£800

A very detailed map of Leiden, originally published 1698 as a new addition to De Wit's edition of Blaeu's Townbook of the Netherlands. A very fine example.
