

A mid-17th century map of the Far East

MERIAN, Matthaus.

India Orientalis et Insulae Adiecentes.

Frankfurt, c.1650. Coloured. 270 x 355mm.

£700

A map of the East Indies based on Blaeu, showing India, Indochina, Indonesia and the Philippines, with the southern coast of Japan. It also shows the Dutch East India Company's discoveries in northern Australia, including the Cape York Peninsula and de Witt's Land.
